Margaret Elizabeth “Becky” Beeson (Glaser) Spilman was born August 26, 1943 to John Pierce Beeson and Isabelle Mercedes (Welsh) Beeson in Bexar, TX.

She attended Rockford Public Schools and graduated with the West High School Class of 1961. In high school Becky participated in several high school activities. She and her potluck group are featured in the Yearbook.

In the words she contributed to the Class Website, “When Doug (Spilman, husband, pictured with her) became a Silicon Valley executive, I gave up my public health career to rear children and compete in endurance horse racing.”

They had their daughter and son when she was 40 and 42. Becky said, “Both successfully reached age 21 - without being drug-addicted, in jail, or pregnant...The downside is we have no grandchildren yet. We and our dogs, cats, and parrot live among California's historic, majestic redwoods about 45 minutes from anywhere.”
